Dear Students,

Encinitas Ballet Academy is pleased to announce their Summer Intensive Ballet Program of 2019. We are inviting serious ballet students from all over the world to work with our internationally recognized instructors. This is a wonderful opportunity for you to study dance in the United States and to share your own national dance traditions with other students from all over the world.

With three weeks of daily intensive dance training, students advance in skills while gaining flexibility and strength in a fun and focused environment. This program includes classical ballet, pointe, contemporary, character dance, partnering, Pilates, music, art, guest teachers, friends, and fun!

The Summer Intensive is scheduled to begin on July 15 and will conclude with a gala performance in the strikingly beautiful California Institute for Human Science Campus in Encinitas on August 2<sup>nd</sup> at 3 pm.
