ARE YOU A TEACHER, APPRENTICE,  
OR A PROFESSIONAL DANCER LOOKING  
TO ELEVATE YOUR PARTNERING SKILLS?

Encinitas Ballet Academy is proud to offer an exclusive course designed for international, local, and U.S.-based dancers who want to deepen their understanding of safe, effective partnering

Partnering coaching is an exclusive highlight of Encinitas Ballet Academy, offering students a unique opportunity to receive high-quality, personalized training in this vital aspect of ballet.

Taught by Sayat Asatryan, Artistic Director of Encinitas Ballet and a renowned professional dancer with 30+ years of experience and over 25 years of teaching, this course will provide invaluable insights into the art of partnering. His expert guidance ensures injury prevention, technical precision, and seamless collaboration between partners.

This exceptional training enables students to confidently perform alongside high-caliber guest dancers in Encinitas Ballet's prestigious Spring and Fall productions.

Mr. Asatryan's students gain not only technical proficiency but also the poise and professionalism required to excel in partnered work, making this a standout feature of the Encinitas Ballet program.

## What You'll Gain:

- ✓ Fundamental Partnering Skills – Learn how to balance, lift, turn, and move efficiently with a partner.
- ✓ Injury Prevention & Safety – Understand how to avoid common injuries like broken ribs, sprained fingers, and back strain.
- ✓ Partnering for All Heights – Develop techniques for dancing with both taller and shorter partners.
- ✓ Studio vs. Stage Adjustments – Master the transition from rehearsal to performance.
- ✓ Stage Presence & Presentation – Enhance your artistic expression and connect with the audience.
- ✓ Costume Considerations – Learn how different costumes affect partnering, from turns to promenades.

## Course Focus Areas:

- ✓ Finding the center of balance in partnering
- ✓ Proper arm positioning for both posed and moving sequences
- ✓ Lifts, jumps, and promenades – correct execution and timing
- ✓ Turns with a partner – how stage dynamics impact movement
- ✓ Collaborating with female ballet teachers in partnering instruction

At Encinitas Ballet Academy, we don't just teach movements, we ensure they are understood and executed safely to protect dancers and enhance their technical and artistic growth.
